

ChamBanaCon Dealers General Information

GREETINGS FROM THE CON-COM

Dealers must contact the Con-Com before November 15, 2023 to reserve space.

All sales at ChamBanaCon are restricted to the Dealer's Room.

ChamBanaCon is a small science-fiction relax-a-con. The attendance at the convention varies but in recent years has been around 100-150 attendees. After more than 50 years (skipping once due to the & *#_! virus), this may be our last, so who knows?

Table Rates: 1-5 tables available at \$25 each.

Please return the completed Dealer Registration form with the table fee by November 18, 2023. We allow the dealer to arrange the tables (within reason). If there are too many dealers for the area, ChamBanaCon will reallocate tables as it sees fit. Broach any question regarding reallocation of space with convention staff (*in extremis*, the Con Chair).

Convention Registration is NOT included with table rental. Dealers must purchase separate registration, and wear registration badges in the Dealers room.

Setup: Friday, set up starts at 12:00 noon, open to the public at 2 p.m. Dealer room closes at 8:00 p.m. On Saturday, the Dealer room opens at 11:00 a.m., and closes at 5:30 p.m. On Sunday, the Dealer room opens at 11:00 a.m. and closes to the public at 3:00 p.m. The room will be closed by 4:00 pm on Sunday.

Restrictions: Anyone selling any item that could be considered dangerous in the hands of children of any age should acquire product liability insurance to protect both the convention and the seller. NO PETS EXCEPT SERVICE ANIMALS ARE ALLOWED IN THE DEALER ROOM!

Security: The convention provides the space and the opportunity for the Dealers to sell to our membership and the public at large, as well as a volunteer or staff member locked in the room overnight. The hotel provides 24-hour security. However, ChamBanaCon takes no responsibility for lost or pilfered items.
